In Re:

EXTENSION OF SUSPENSION
OF STATUTES, RULES AND
ORDERS, MADE NECESSARY BY
COVID-19.

DOH No. 20-011

EMERGENCY ORDER

WHEREAS, Novel Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

WHEREAS, on March 1, 2020, I declared a Public Health Emergency exists in the State of Florida as a result of COVID-19 pursuant to Executive Order number 20-51; and

WHEREAS, on March 9, 2020, Governor Ron DeSantis issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19, and allowing for the waiver of certain statutes and rules that prevent, hinder, or delay any necessary action in coping with the state of emergency caused by COVID-19; and

WHEREAS, on March 10, 2020, I issued DOH Emergency Order 20-001 suspending certain rules and statutes; and

WHEREAS, on March 16, 2020, I issued DOH Emergency Order 20-002 suspending certain rules and statutes; and
WHEREAS, on May 8, 2020, Governor Ron DeSantis issued Executive Order 20-114, renewing Executive Order 20-52; and

WHEREAS, it is necessary to waive certain statutes and rules of the Florida Department of Health in order to effectively respond to the emergency caused by COVID-19, including certain statutes or preventing the safe and efficient provision of health care services to patients in the state of Florida.

NOW, THEREFORE, I, SCOTT A. RIVKES, M.D., pursuant to the authority granted by Executive Order No. 20-52, as extended by Executive Order No. 20-114, find that strict compliance with the provisions of certain regulatory statutes and rules prescribing the procedures for conduct of state business by the Florida Department of Health will prevent, hinder, or delay necessary action in coping with the emergency caused by COVID-19. In order to effectively respond to the threat posed by COVID-19 it is necessary to promulgate the following:

Section 1:

For purposes of preparing for, responding to, and mitigating any effect of COVID-19, the provisions of DOH Emergency Order 20-001 are extended until the expiration of Executive Order No. 20-52, including any extensions thereof.

Section 2:

For purposes of preparing for, responding to, and mitigating any effect of COVID-19, the provisions of DOH Emergency Order 20-002 are extended until the expiration of Executive Order No. 20-52, including any extensions thereof.

Section 3:

For purposes of preparing for, responding to, and mitigating any effect of COVID-19, the provisions of sections 456.023(1)(c) and (2), Florida Statutes, are suspended to
the extent these provisions limit the rendition of services to: members, coaches, and staff
of any sports teams or sports entities visiting Florida; any non-visiting sports teams or
entities; or a specified team or entity rather than a league. For the purposes of the
suspensions in this section, a sporting event may be of any duration. This suspension
operates until the expiration of Executive Order No. 20-52, including any extensions
thereof.

Because section 252.36(5)(a), Florida Statutes, allows the Governor to suspend
the provisions of “any regulatory statute prescribing the procedures for [the] conduct of
state business,” and because Section 4. B. of Executive Order No. 20-52 provides the
State Surgeon General with the authority to issue this Emergency Order, the
requirements of sections 252.46 and 120.54(4), Florida Statutes, do not apply to this
Order. This order shall remain in effect as specified in each section above, unless
otherwise modified by order of the State Surgeon General.

Executed this 30th day of June 2020, in Department of Health Offices,
Tallahassee, Leon County, Florida.
